

▼General description

Connectors for Beetle Clip (SOB & SMD LED strip series.)

LED strip connector is a transparent PC material connector, mainly suitable for IP20 SOB & SMD strip with matching pads. It has the characteristics of reliable connection, invisible seamless lighting, perfect solution for aluminum profile application, and DIY connection without stripping.

▼Item No.

9541-CCT

Strip-to-strip, mainly suitable for IP20 SOB&SMD strips, 10mm width PCB, 3PIN tunable white.

Rated current: 5.0A

Rated voltage: 24 V

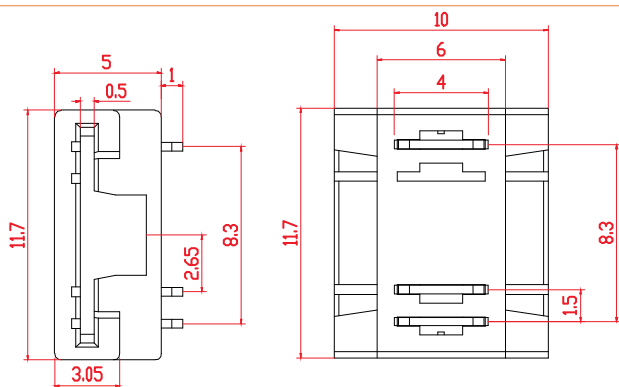

Number of slots: 3

Contact spacing: **10MM 6.8+1.5mm**

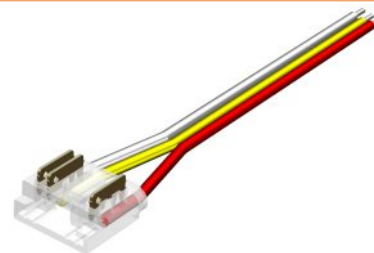

Colour: Transparent

Contact surface: Cu

Working temperature: -10 °C ~ 45 °C

9541-CCT Dimensions

9542-CCT

Wire to board, mainly suitable for IP20 SOB&SMD strips, 10mm width PCB, 3PIN tunable white.

Rated current: 5.0A

Rated voltage: 24 V

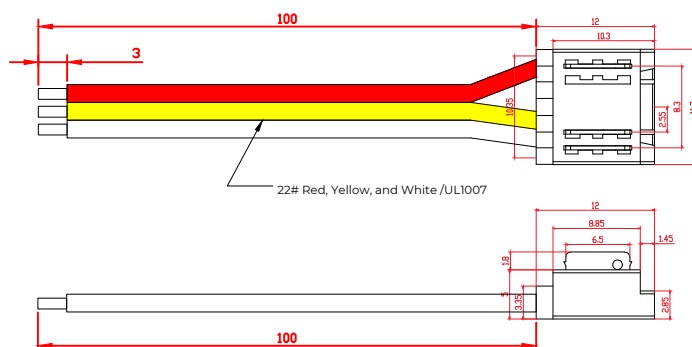

Number of slots: 3

Contact spacing: **10MM 6.8+1.5mm**

Colour: Transparent

Contact surface: Cu

Working temperature: -10 °C ~ 45 °C

9542-CCT Dimensions
