

Technical Parameter

Item No.	1713-RGB-24V-5M
----------	-----------------

Lumens	N/A
--------	-----

Input Voltage	24VDC
---------------	-------

Power	3*3W
-------	------

Color Temperature	RGB
-------------------	-----

Material	Stainless Steel
----------	-----------------

Protection Class	IP68
------------------	------

Ambient Temperature	-25°C ~ +55 °C
---------------------	----------------

Lamp Size	Φ 3.15" x 5.9"
-----------	----------------
