

Technical Parameter

Item No.	1742-XX-24V
----------	-------------

Lumens	1920 / 2160 lm
--------	----------------

Input Voltage	24VAC/DC
---------------	----------

Power	8*3W
-------	------

Color Temperature	3000K/6000K
-------------------	-------------

Material	Aluminum / Tempered Glass
----------	---------------------------

Protection class	IP65
------------------	------

Ambient Temperature	-25°C ~ +55 °C
---------------------	----------------

Lamp Size	5.9" x 5.11"
-----------	--------------
