

Technical Parameter

Item No.	1755-XX-4W
----------	------------

Lumens	320 lm
--------	--------

Input Voltage	12VAC/DC
---------------	----------

Power	4W
-------	----

Color Temperature	3000K
-------------------	-------

Material	Stainless steel / Aluminum
----------	----------------------------

Protection Class	IP65
------------------	------

Ambient Temperature	-25°C ~ +55 °C
---------------------	----------------

Lamp Size	4.13" x 4.13" x 2.16"
-----------	-----------------------
